

**Brush/Brushless**  
VEHICLE WASH CONCENTRATE  
PRODUCT NO. WH-360

- Superior Cleaning
- Cleans All Vehicle Surfaces
- Free Rinsing
- For Brush or Brushless Systems
- Biodegradable
- High alkalinity equals high dilutions
- Alkylphenol Ethoxylate (APE) Free
- **DO NOT USE IN CONCENTRATIONS BELOW RECOMMENDATIONS**

Brush/Brushless Wash Concentrate is blended with cleaning agents designed for brush or brushless wash systems to provide superior cleaning of vehicle surfaces. Its good foaming formula quickly, easily, and effectively removes exhaust deposits, road film, general soils, and residues from painted, aluminum, and stainless vehicle surfaces. This is the preferred product for pressure wash and drive-thru systems, or manual washing.

Applications & Uses	Dilutions	Directions
<b>Brush or Brushless Washing Systems</b> <b>NOTE: (Recommended Tunnel Wash Dilution is 64:1)</b>	<b>32:1</b> <b>128:1</b>	For maximum results, dilute and apply product with water heated between 120°-140°F. For demanding cleaning dilute 32:1. For regular maintenance cleaning, dilute up to 128:1. Dilute product and operate machinery according to the manufacturer's directions for use.
<b>Pressure Wash Cleaning</b>	<b>32:1</b> <b>128:1</b>	For maximum results, dilute and apply product with water heated between 120°-140°F. For initial cleaning, dilute product 32:1. For regular maintenance cleaning, dilute product up to 128:1. Dilute product, apply by spraying onto surface, allow 3 minutes contact time, brush if necessary, and high-pressure rinse clean, (a high-pressure/hot water spray is preferred). Apply product working from the bottom upward to avoid streaking.
<b>Manual Washing</b>	<b>128:1</b>	Dilute product, apply to surface with brush or mop, allow 3 minutes contact time, brush soiled areas, high-pressure rinse clean with water.

**Suggested Industry Applications:**

- |                        |                     |                  |
|------------------------|---------------------|------------------|
| Aeronautical           | Detail Facilities   | Marine           |
| Automotive Dealerships | Farming Equipment   | Rail             |
| Carwash Facilities     | Fleet Operations    | Shipping         |
| Construction Equipment | Highway Maintenance | Waste Management |

**Specifications:**

- |            |                    |
|------------|--------------------|
| Appearance | Yellow, liquid     |
| Odor       | None               |
| pH         | < 13 (concentrate) |
| Flashpoint | None               |
| %VOC       | < 10%              |
| DOT Label  | N/A                |

**General Cautions For Use:**

- As with all cleaning agents, keep this product out of the reach of children.
- As with most cleaning agents, this product should not be allowed to dry on surfaces.
- Dilutions are recommendations only, as you become familiar with the product's performance, adjust accordingly.

**Container Sizes:**

- 5 Gallon Pail
- 55 Gallon Drum
- 275 Gallon Totes Available Upon Request
