Christmas Trees Letter Hh Shape: Tringle	30 Handprint Christmas Trees					

Dear Families,

This month we will talk about Fruits & Vegetables, Hibernation, Thanksgiving and Fairy Tales. We will continue to work on recognizing numbers and letters, as well as engaging in activities that help build the muscles in our hands needed for cutting with scissors and holding a pencil.

The children are really enjoying calendar time. We talk about what month, day of the week and date it is. We also talk about what pattern the pictures on the dates make and we count the days. I also use positional words when placing the numbers on the calendar. Ex) Number 12 goes below the number 5 and to the left of the number 11

It is getting colder outside, so please send hats and gloves to school with your children. We won't go outside every day, but I will make an effort to get as much fresh air as possible, even if it's just a walk around the block.

### **SNACK**

Please bring your child's NOVEMBER snack the first day they attend in November. The snack has to be **peanut free** and have two components. Here are a few ideas, let me know if you have any questions.

- Ex) Sausage and Cheese  
Yogurt and Crackers  
Fruit Cup and Teddy Grahams  
Fresh Fruit or Vegetables and Animal Crackers  
Raisins and Goldfish

A few reminders:

1. Please dress your children accordingly for the weather. We are very close to the lake and temperatures can be cooler. Consider leaving a sweatshirt in your child's backpack as a back up.
2. Please dress your child in play clothes. We do use washable paint and smocks, but accidents do happen.

If at any time you have any questions or concerns, please feel free to contact us.

Ms. Rachael
