[http://www.zbw.eu/e\\_about\\_us/e\\_library\\_profile.htm](http://www.zbw.eu/e_about_us/e_library_profile.htm)

The ZBW – German National Library of Economics – Leibniz Information Centre for Economics is the world’s largest specialist library for economics, with more than four million publications in printed or electronic format and subscriptions to 31,970 periodicals and journals. The ZBW collects economics literature and subject-specific information from all over the world as well as books, journals and digital media from management practice.

The German National Library of Economics procures economic literature and subject specific information from all over the world...The German National Library of Economics – Leibniz Centre for Economics was founded in 1919 and has been a member of the Leibniz Association since 1966.

**It is a foundation under public law, financed by the Federal and State governments**, and invests more than €2.4 million every year into the acquisition of current economics titles.
