Eliminator Finals: The top four teams in each category and division based on total pins in the qualifying rounds will compete in an eliminator format. If there is a tie for any spot, the tiebreaker will be the higher baker block followed by the higher baker set. The semifinal round will consist of all 4 teams bowling 4 baker games on 4 lanes. Teams 1 and 4 and teams 2 and 3 will bowl on each lane of their starting pair and then flip to the other pair. The top two teams based on the 4 game pinfall will move to the finals. The final round will consist of 2 baker games on a new pair of lanes. Champion will be determined by the 2 game total pinfall. The higher seed will choose the starting lane in each round. All ties in the semis and finals will be broken by a 9th/10th frame roll-off. Each team's players will receive one shot on each lane during warm-up (no re-racks please) for the semis and finals.
