ODELIA & ORNELA SAMUELS

THE HUNGRY CAT

Meeeeeeeow! For you hungry kitties looking for delicious chow, this place is THE place! A fun, busy, Hollywood location, great to go before seeing a show at Pantages theater. Sexy women in tremendously short skirts, men with excessive cologne, tourists, and sexy singles is what you will find here. Now, besides the eye candy — there is REALLY good cuisine here as well :)).

Sea Urchin

We started with **OYSTER SHOOTERS** — Oyster, blue iced vodka, lemon, Tabasco, and Maryland spice. These shooters warmed our bodies and made our stomachs salivate the cuisine coming our way! The **SEA URCHIN PASTA** — roasted sweet peppers, cherry tomatoes, poached egg, nori, **MAIN LOBSTER ROLL** — on a butter toasted roll, french fries, velvety and tender; the **BRAISED MUSSELS** — xo sauce, jasmine rice, bok choy, cilantro, pickled peppers — left us breathless and with a cry of relief. For our sweet tooth — **CHOCOLATE BREAD AND BUTTER PUDDING** — this dessert entered our wet awaiting mouths, at first slowly and then with every sweet bite more and more forcefully. Totally euphoric! **MEYER LEMON CURD PARFAIT** — sweet, tangy and fluffy. Great service and delicious seafood... What more can you ask for? **Meeoow!**

ALIMENTO

Pig in a Blanket

SMALL friendly Italian restaurant in the very hip Silver Lake area of Los Angeles. Zach Pollak (from the famous Sotto restaurant) brought us small plates of moderately priced Italian dishes and we were seated at the light wood tables, where we checked out the view of many tres sexy singles who were sitting at the bar. The delightful aroma that was coming from the kitchen made our starving stomachs growl like raccoons in heat. For our starters we immediately ordered the **PIG IN A BLAKET** — mortadella, spelt pastry, brovado, stracchino, the tiny little mustard seeds and tomato jam between the buttery flaky spelt pastry made this dish superb, and the delicious **CHOPPED SALAD** "amigliorata" tres fresh! Our entrees were the **SQUID INK RADIATORI** — red wine braised squid, mussels, peas, dried tomatoes — was so delicious it made us tipsy with its exquisite flavors. **WHOLE WHEAT BIGOLI** — summer tomato, pinenuts, crema acida, totally stimulated our senses and the scrump **FUSSILI** — cockles, fava leaves, serranos, smoked butter, a bit spicy and a lot fabulous. This intimate, cozy, white wall dining room is a great place for family celebrations, anniversaries and especially first dates where you can share a mouthwatering dessert such as the **CHOCOLATE BUDINO** — layered caramel, whipped cream, and sweetened bread cubes — all over a warm sugary first kiss. Bon Appétit!

BLU JAM CAFE

Ohhhhh! There is no better eatery than one that serves breakfast ALL DAY! Defuckinlicious! Time to get wild and reckless! The **BREAKFAST TRIO** — three eggs any style, two classic pancakes or French toast with smoked bacon, or chicken apple sausage, super filling, **BURGONDY OMELETTE** — three egg omelets, Spinach, Mushrooms, Montchevre goat cheese, sundried tomatoes, chives, fresh tarragon, served with crispy potatoes and toast, sent tingles down our spine, and made us shudder with desire for more breakfast delicacies — **CRUNCHY FRENCH TOAST** — egg brioche dipped in batter, rolled in crunchy corn flakes and grilled to perfection topped with fresh fruit, served with vanilla bean sauce, tasted of sweet heat and naughtiness. For dessert ;) — **BLUEBERRY PANCAKES** — with fresh blueberries and powdered sugar — perfect ending. For you breakfast lovers **THIS** is definitely the place to be! Quick service, fun crowd, happy atmosphere and wonderful sexy aroma of maple and eggs :)).
