StoryWalk®

Have you checked out the StoryWalk® lately?

This summer the stories will all be about animals in keeping with our summer reading program theme of Tails and Tales.

*Don't know **what** it is?*

The StoryWalk® is comprised of a series of kiosks that have the pages of a children's book displayed. The story continues as you walk along the trail. New stories are displayed throughout the year.

*Don't know **where** it is?*

It is located on the Prairie Spirit Rail Trail. The story starts at Park Road and ends at 1st street. It is a great way to entertain the kiddos and sneak in some exercise for them at the same time. Stop by the library when you are done for a special prize!

We have had some damage to some of the Plexiglass. Please let us know if you see that one of them of has been broken. We have placed a number on the back of each post to make it easier for people to report damage. Thank You!

Ah, the good old days, when we
