

MEMBERSHIP

You may have received a call from one of our board members last fall. The effort is to reach all Cemetery Association members to thank you and to be sure that our records are complete. Besides mailing addresses, we want to know how to reach you by telephone and e-mail.

The Association received good support during the year. Individual and family memberships (including both members of couples) now total 107, and seven organizations also contributed. Let us know of any friends or family you may recommend. If you visit, you will see that your donations are working for the Cemetery. Please continue to contribute. **If we skipped you on the following list, notify Alice Strausser, strausserm@bellsouth.net:**

NEW SIGNS

Visitors to the Cemetery not only will note newly refurbished tombs, but new signs. Four tomb signs tell about Thibodaux's first postmistress Mary King Fulford; First Presbyterian Church's first minister, Rev. Daniel McNair; the contractor/carpenter Morgan Springer; and St. John's early 20th century priest, Archibald Mackenzie. In addition, a sign detailing the history of the Cemetery has been placed near the front gate. Together with those set last year, the new signage invites visitors and family to learn more about the unique history of the Lafourche region. (TaWaSi club contributed to the cost of the new signs, for which we are grateful.)
