➡ Please Note: **Very important: please read**

**\*\*If you are picking your child up in the front lobby, parents must park their car in the lot across street, and come in to greet you child.**

**\*\*If you are carpooling, whether morning drop-off or afternoon pick-up, please drive through the Pre-School Parking lot entering on Serena Road (please get to Serena Rd. via Division Street only). Upon entering lot, drive through and stop at the back door. You will be given a carpool number and the children will be brought to you. Do not attempt to get out of your car and enter the building. The first few days will entail some delays. Please be patient. It takes about one week to acclimate to this proven system. It has been proven to work fast and efficiently, but your cooperation is the key.**
