

Solidarity with Teamsters Local 120 in St. Paul Park

Union members of Teamsters Local 120 are on strike at Marathon Petroleum. They are demanding safety in the plant which also means safety for the surrounding community.

Teamsters are on the strike line around the clock and people are welcome to join the lines at any time. IBT Local 120 is asking for people to sign-in and get a gate assignment before joining a strike line and you can sign-in at these locations:

- From 10am – 10pm: American Legion at 329 Broadway Ave, St. Paul Park, MN. 55071
- From 10pm – 10am – Frankie's Corner Bar – 304 Broadway Ave, St. Paul Park, MN. 55071

The Teamsters Local 120 concession trailer is set up near one of the gates and that is a great place for people to drop off food or beverages.
