January 16, 2026

Dear Pharmaceutical Representative:

Slocum-Dickson Educational Institute, Inc. has rebranded to SDMG Foundation, Inc. It is the same organization, offering the same great Teaching Day event, but with a new name. Thank you to all Pharmaceutical, Medical Supply/Service Companies and all local businesses that have participated in our previous Teaching Day programs. If you or your company have not had the opportunity to be part of this program, now is your chance. I invite your company to participate in this year's event. The program is a perfect opportunity for your company and your colleagues to meet and talk to primary care physicians, specialists and physician extenders from the Central New York area. There are over one thousand physicians invited to this program. SDMG Foundation's Annual Teaching Day is scheduled for Saturday, May 2, 2026 in conjunction with the Medical Society of the State of New York at the Delta Hotel in Utica, NY.

The event will include lectures by invited speakers in various medical specialties with topics to include Pediatric Allergies, Tick-Borne Illnesses, and Pulmonary Screening just to name a few. There will be appropriate CMEs provided for attendance. There will also be an Expo throughout the day for Pharmaceutical, Medical Supply/Service Companies and local businesses.

SDMG Foundation's previous Teaching Day programs have been a tremendous success, and we look forward to making this year even better. All displays will have a fee of \$1,500 per display which includes: a 6' table, 2 chairs, breakfast and lunch, as well as recognition as a supporter of the program.

If your company is interested in participating in the 2026 Teaching Day event, please fill out the attached form. Checks should be made payable to SDMG Foundation Inc., tax ID # 27-0454870 501 (c) (3).

Remember there is limited space, so it is extremely important to submit the above requirements promptly. If there are any further questions, please call Administration at (315) 798-1490.

Sincerely,

Manzurul Sikder, M.D.
SDMG Foundation's Annual Teaching Day

Display Table Form
