Terryville Fire District
District Television Use

1 PURPOSE

- 1.1 The Televisions provided by the Terryville Fire District are supplied for the use by our volunteer members with the exception of one television in the Radio Room and one television located in the EMS room for District employees. The purpose of this policy is to ensure that all district owned televisions are used in the manner for which they were provided.

2 SCOPE

- 2.1 This policy will apply to all Terryville Fire Department members and Terryville Fire District Employees.

3 POLICY

- 3.1 All televisions provided by the Terryville Fire District are for educational and entertainment purposes. Pornography is strictly prohibited from all televisions.
- 3.2 Movie or entertainment rentals not pre-approved by the district will be the responsibility of the person(s) renting the program.
- 3.3 All employees are strictly prohibited from renting any programs on District owned televisions. Any charges incurred will be the responsibility of the person(s) renting the program.
