

## Rudi Diels "The secret goldmine of the short and middle distance"

**1st Olympic-Ace-pigeon Short Distance KBDB 2007**  
**3th National Ace-pigeon Short Distance KBDB 2006**  
**4th National Ace-pigeon Short Distance KBDB 2005**

When you look at the results of the last two or three years in the Province Antwerp from the short and middle distance there is one name always in the top (and this with very few pigeons) : RUDI DIELS from BEERSE !!

Reasons enough to visit this insider's tip (at that moment yet). A real GOLDMINE !

A very little loft well-stocked with absolute top class pigeons. On the basis of this strain you will find **ANDRE BELLENS, JOSKE WOUTERS, MARIËN-ROYBERGHS** and Rudi's uncle **JAN DIELS** formed to a

family of winners primarily intended to race 100 till 600 km-races.  
The crowing event of the successful career from Rudi poses this year in Ostende, Belgium  
the

**1. OLYMPIC – ACE-PIGEON SHORT DISTANCE 2007 KBDB** of his home country.

Named: **“GOUDHAANTJE”** ( Goldhand !!) B-04-6105159

An exceptional superbrid with an exceptional performancelist !! :

**5 x 1. PRIZE, 4 x 2. PRIZE and 2 x 3. PRIZE !**

**3. NATIONAL ACE PIGEON SHORT DISTANCE 2005**

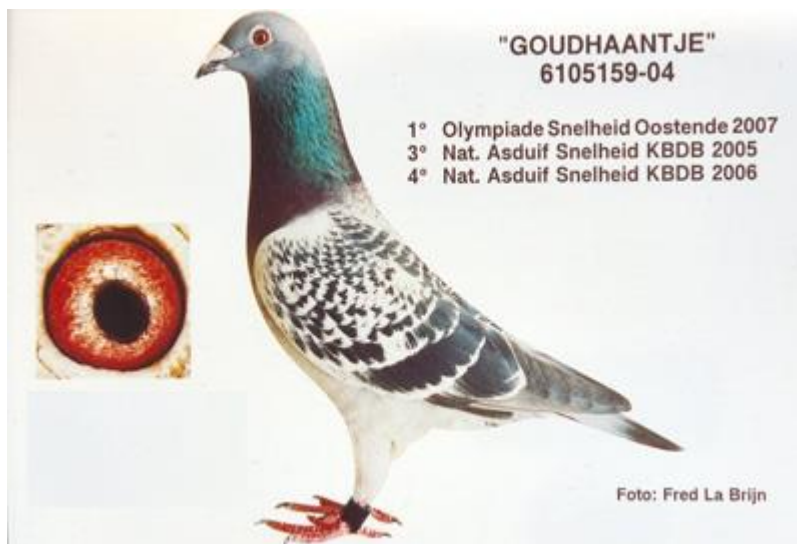

**4. NATIONAL ACE PIGEON SHORT DISTANCE 2006**

**The pedigree says enough !**

**Father** of the **“GOUDHAANTJE”** is the **“PEET”** B-03-6033216, he was himself ACE-PIGEON 2003 in Beerse.  
In 2004 he got hurt on his eye so Rudi couldn't race the **“PEET”** anymore ; so the **“PEET”** moved into the breeding loft.

The **mother** of **“GOUDHAANTJE”** is the **“BLAUW KLEIN”** B-03-6033221 she was also 1. ACE-PIGEON 2003 in SAMENSPEL TURNHOUT NOYON.

**The total population of Rudi's loft contains:**

- 10 breeding pairs
- 14 widowers (old birds and yearlings)
- 10 hens (old birds and yearlings)
- 60 youngsters (are enough according Rudi's opinion)

**Rudi's advice :**

- 1 – Screen the health of the pigeons !
- 2 – You will find the secret of your success in the breeding loft !  
Breeding is gold, racing is silver !
- 3 - To win a race or championship in the province Antwerp against the big lofts like Geerinckx, Van Elsacker-Jepsen, Van Dijck, Hok Vercammen, Houben, Roodhooft, Heremans-Ceusters ect. it's not enough to have good pigeons, No you need VERY GOOD pigeons which are super healthy

and in top condition !!
