ATTN: Current and Future CRA Contestants and Rodeo Personnel

Re: 2020 Rodeo Season

Due to the current health crisis and government-mandated restrictions, a Board meeting was held to vote on the following changes for the 2020 season:

1. The 2020 Finals have been canceled. The rodeo scheduled for that weekend will remain on the books and count as a 2020 rodeo unless circumstances dictate otherwise.
2. The 2020 rodeo season has been extended into and throughout 2021 with a Finals to be scheduled at the end of 2021.
3. A membership card purchased for the 2020 rodeo season will be considered a 2020-2021 membership card for the extended rodeo season. If a student graduated in 2020, their High School card will be honored through 2021.
4. Current cardholders will NOT have to purchase another card for 2021 unless there is a change in their status,
i.e. a current Contract Act cardholder who wishes to compete will be required to either ride on a Permit or pay the additional money to upgrade their card to a Contestant card.
5. Membership cards are NON-REFUNDABLE and NON-TRANSFERABLE.
6. All points earned during 2020 will count for the 2020-2021 season. Points begin on the contestant's membership date.
7. Although the 2020 season has been extended through 2021, rodeos attended in 2020 will NOT count towards the rodeo count for 2021. Effective January 1, 2021, members must enter and compete in event(s) at 5 CRA sanctioned rodeos in order to be eligible to compete in same event(s) at the 2021 Finals.

All changes are effective immediately.

As your Board, we are working together to make decisions in the best interest of the CRA as a whole and under the current conditions. We are praying for and believing in a brighter future. Our intention is to make the 2020-2021 season the best yet.

Should you have questions or concerns, please contact your Event Director or the CRA office. For updates on our rodeos currently scheduled, go to cajunrodeo.com.

Stay Safe & Healthy!!
