Nellie read the minutes from the last meeting and were approved

Rosemary presented the financial report for November. There was one expense of \$79.40 to DLX*PS Print to cover cost for bumper stickers. There are no foreseen expenses for December. The beginning balance for the month of November was \$452.98 Ending balance for November was \$373.58 with the current balance at \$373.58. Financial report was approved and passed.

The February Fundraiser, Love Where You Live is set for February 7 and we need to get all the details in order fast. We will be meeting with Diane Probst to get the word out to the Chamber. We will need to contact business owners for donations to the auction items. We also need to sell tickets for the wine tasting, dinner, and auction. For advertising the event, WWN will allow us 1 week the first of January and then run it again two weeks before the date. We also need to submit it to the Pilot. We need to target groups such as the Rotary, Lions Club, and other clubs in town. The traveling Veterans Wall will be here Feb 5. Our plan of action is to meet with Diane Probst and to get to local businesses for donations and ticket sales. We will sell single tickets as well as tables of 4,6,and 8. Buying a table of 6 or more will get Sponsorship Status. Discussion ended with comments on the advertising and such should be elegant for this event.

Motion was made to adjourn and was seconded.
