

Hello ABATE members I hope everyone is doing fine and are adjusting to the new way of living with the covid-19 thing. If you are then my hat is off to you. Because I don't know how many times I get to the door of a business and have to turn around and have to go back to my truck to get a mask.(THAT SUCKS) Oh well maybe my next tattoo will be a mask so I don't have to wear one any more . Ok now on to the reverse rain dance like I did last year which only works for our bike events here in Monroe county not for everywhere and every one. I am sorry but you have to do your own. I am not trying to be selfish but it is not all that easy to do and come up with the right things to say and do it takes some work. And to get people to put their hearts into it and the right stuff to put in the fire. It takes work from everyone. That being said the date I am looking at is april 24th all is welcome. It doesn't matter what county or what state you are from the more the merrier. I am looking at around 30 minutes before dark and be done 30 minutes after dark no inbetween and no interruptions please once the sun go's down. We did this last year and it worked on our bike riding event. Ok now on to member of the year and that would be sherri lecurgo congratulations sherri.Ok back to the field meet there will be voting there since we did not have the chance to do that because there was no seminar this winter Ok also at the meeting adam went over the helmet laws and statistics and insurance. Ok now it is time to close this newsletter. There are some ABATE brothers and sisters that could use are prayers so please throw some or a lot out there . Sincerely yours and then some TREEMAN.....
