MINERALOGICAL SOCIETIES, INC.**

2019 DIRECTORY

Southeast Federation of Mineralogical Societies

The President and Federation Liaison of each club (and all members of every club) are invited and should attend every meeting of the SFMS; to represent your organization, bring back news, information, vote on issues that support us all, and resources to strengthen your club. Check the SFMS website often to get news and updates about the next scheduled meeting and plan to attend! Check the SFMS Website often and make it a favorite in your web browser <http://www.amfed.org/sfms/index.html> . Invite your club members to visit the website and see all that's there to support your club. Get connected and stay informed.

Do you know who your SFMS State Director is? **(See Page ii for State Director listings)**. Make sure your state director visits your club every year and give a presentation about the SFMS and all the resources and support your club has access to. Don't have a State Representative? Interested in becoming one? Contact SFMS 2nd Vice President Melissa Hill rocklicker1659@gmail.com .

Make sure every member of your organization gets signed up for the SFMS Newsletter, the "LODESTAR". Send an email to the SFMS newsletter editor John Rasmussen at sfms.lodestar@gmail.com . What else is your club missing out on? If your club has a show or big event coming up, send that information to the SFMS newsletter to be listed in the LODESTAR. If you have an interesting article from your club's newsletter, forward it on to the SFMS newsletter editor so it can be shared with everyone that gets the LODESTAR. Use it as a resource for your club's newsletter articles. Does your organization want to host a federation meeting? It's fun, easy and brings more people to your event! Contact SFMS 1st Vice President Jesse Griffin 2012griffin@gmail.com .

Does your club meeting agenda have a permanent slot for the SFMS? If not, now is a good time to start. Have your clubs Federation Liaison report every month on what's going on with the SFMS. Use the SFMS website and LODESTAR to get that information. Then pass that information onto your club's newsletter editor.

Having a problem in your club? Use this directory to contact your state director or other clubs in the SFMS to get the answer. Chances are, someone has experienced the same issue and has come up with a solution, or not and now others can start thinking about tackling that opportunity for their organization.

The SFMS uses this directory as its life line to all the SFMS member clubs. Every year starting December 1st and ending January 31st, the SFMS Membership Chair sends out a request for membership renewal, and equally important, a request for your club's directory updates. When you email reply with your updates, make sure to include as much information about your club as possible. Is all the information correct? Are the four most important contacts listed: President, Federation Liaison, Insurance Liaison, and Renewal contact for next year. Do not reply with an attachment with updates for the directory. Reply to the email you get from the membership chair and type the information right in the reply email. Contact SFMS Membership chair Jason Hamilton silver-rocks@comcast.net . The second yearly initiative is the SFMS Insurance for liability to go on digs and for Shows, which starts in February. Contact the Assistant Treasure & Insurance Liaison David Liles dglilessfms1@gmail.com .

The purpose of the Mayo Educational Foundation:

The Mayo Foundation was established by the late Frank Mayo, the first President of the Southeast Federation of Mineralogical Societies, Inc. The purpose of the foundation is to provide financial aid to qualified students in the Earth sciences and to provide financing for other educational projects of exceptional value. For many years Frank (and after his death, the Mayo family) matched all yearly donations made by Federation members, increasing the principle. Only interest and returns generated from the principle is used to grant scholarships given to worthy students. It is evident that continuous support is needed because as the principle grows, so will interest grow, creating more funds available for scholarships.

All donations are tax-exempt.

The Mayo Educational Foundation is a 501,(c),(3) tax exempt, not for profit corporation. As such, donations to The Mayo Education Foundation are gifts of perpetuity and are deposited into trust accounts. The interest earned on these accounts is made available for scholarships awards through THE MAYO EDUCATIONAL FOUNDATION, INC. SCHOLARSHIP PROGRTAM.

MEMORIALS & HONORS DONATIONS A memorial or honor donation to MAYO EDUCATIONAL FOUNDATION, INC. can pay tribute to or recognize someone special to you or your club. Your tax-deductible contribution also offers help to deserving college students to further their education in the earth sciences. An appropriate notification will be sent to the person or family you designate, advising them of your thoughtful gift.

MEMORIALS: Your Gift Memorial provides a thoughtful and dignified means of perpetuating the memory of a friend or loved one.

HONORS: You can contribute in honor of a loved one, a friend, business associate, club member or club. It is an excellent way to acknowledge anniversaries, birthdays, convalescence, holidays or other events.

- Give at least 30 days advance notice to Program Chairman when requesting programs. This gives your club's Program Chairman a chance to familiarize them self with the contents of the program when received.
- List at least two alternative choices.
(First and second choices may not be available).
- Give full name of your club, plus your name, address and the phone number where you can be reached.
- Give the date the program is to be presented to your club.

Returning Programs: Please return within 4 days.

Return address, include club name.*

- Address to Video Library Program Chair.*
- Print "Library Rate" in the lower left hand corner.*
- Insure for \$50! It is more important that the video be insured because if they are lost or damaged in the mail, they cannot be replaced.

Note 1) - Omit Steps with (*) if return labels are used.

Note 2) - Many Postal Clerks are not familiar with "Library Rates". It covers material being sent to or from non-profit educational organizations. If faced with this situation refer to: DMM 703.1.2.4 Qualified Nonprofit Organizations - Educational: Qualifies as Library Rate. Source:
