

Broadway Theater West in San Marcos is coming back in July 2022...

But right now, we are getting all of our ducks in a row, so no new information to report at this time.

Information about the **FIRST BROADWAY THEATER WEST** audition/show will be posted soon. If you want us to notify you when information on this **AUDITION** is posted you can send us your email address and we will place it in our data base.

If your **TEEN** has been in workshops, camps or shows with us - your email is probably already in our data base.
