

Dear Valued Members,

January 5, 2021

Beginning in January Friends of Community Fitness will experience an increase in payroll, utilities and supply costs. **The Board of Directors at Friends of Community Fitness has voted NOT to raise membership rates.** Although basic expenses have increased, ComFit wants to remain affordable for everyone in the community.

In an effort to cover these additional expenses, **we are asking members to voluntarily “round up” their membership.** Rounding up your membership means you voluntarily pay more than the required membership fee. The round up amount may be determined by the member and can be done once or reoccurring.

For additional questions, or to adjust your automatic payments, return the form below to the office or contact Britney in the office 9am-1pm at 207-876-4813 or email by [comfitme2003@gmail.com](mailto:comfitme2003@gmail.com).

**Thank you for considering rounding up your membership  
to help keep our rates low for all!**

Sincerely,

Britney Gallagher

Executive Director
