## **PAY IT FORWARD!!!**

Here at The Ultimate Fundraiser, we live by the motto “Pay It Forward”. There is a tremendous power and positive energy in giving. Pay It Forward is a concept about people – from all walks of life – giving to someone else and making a positive difference. A single act of kindness, however insignificant, triggers another good deed and another, and another . . . It is by “paying it forward” that we encourage a cycle of generosity and kindness that inspires us to be better people.

### So Why Pay It Forward?

- 1.) To encourage all of us to embrace the incredible power of giving.
- 2.) To show each other that we care and that there is love, hope and magic all around us.
- 3.) To know that we may only be one person in this world, but to one person, at one time, we are the world.

This spectacular concept is an incredible way to look at life and the way we run our fundraisers. Not only do we pass along this concept from The Ultimate Fundraiser to the organizations that we work with, but we encourage you to adopt this motto when participating in our fundraisers to inspire all the members of your organization. The Ultimate Fundraiser bases all that it does around this spectacular conceptual outlook on life and applies it to every act of our business so that we can best serve you and your organization while allowing you to raise more money than ever before!

Not only do we take tremendous pride in providing the best overall fundraising experience for you and your organization, but we continue to learn and add to our fundraiser every day which will give you some key clues to show you why we are head and shoulders above the rest. TUF gives FREE live in-person presentations for the leader of the organization, its board/parents and all of its members. These live presentations are truly beneficial to your organization as a whole and create a successful path for your future fundraisers. Please call The Ultimate Fundraiser today to schedule your live in-person presentation.

Thank you for choosing The Ultimate Fundraiser for all your fundraising and event needs. We look forward to working with you!
