Association Meeting

The annual association meeting is scheduled for Saturday August 31st, 2024. It convenes at 9:00 am and lasts for approximately one hour. Meeting will be held at the Harts, Lot 42, N9223 22nd Ave.

100' Lakefront Easement

We lease the first 100' of lakefront from the Wisconsin River Power Company (WRPCO). They own the land and they set the rules. Please become familiar with the WRPCO Guidelines and the May's Point Rules. WRPCO actively walks the trail and sends warning letters to the Association for all violations. We can't risk losing our access to our piers. Your cooperation is appreciated.

Association Picnic

Come celebrate our association's 20th Anniversary. It is going to be a special event this year. See the attached flyer for more details.

Renting your property: If you rent your property, make sure to have a Renters' Guide available for your guests. Your guide should contain the May's Point Rules along with your rules. It should also include a pier map/location. We have had renters asking others where their pier is located.
