Big winner was Paul and Dan – Nightly was the same – Richard and Kevin’s wally was measured by 6 guys on 2 different scales and we could not get it over 18 – sorry – it was close but no cigar.

Total purse was $10.5 \times 150 = \$1575$

I am going to spend some \$ on an updated logo and custom hats for big fish winners so I am keeping some \$ in reserve so winner’s payout is:

1. 600
2. 300
3. 150
