

INPATIENT CARE In Cypress

Lone Star Behavioral Health in Cypress, TX is a 24-bed in-patient adult psychiatric facility located in a quiet, rural setting. Our staff is known for its professionalism, wisdom and compassion. Lone Star's team includes Board Certified Psychiatrists, Physicians, Registered Nurses and Licensed Therapists.

OUTPATIENT CARE In Tomball

Our beautiful, 160-acre campus in Tomball offers outpatient and partial hospitalization services to adults. These treatments are ordered by an MD and are designed to relieve acute symptoms of mental illness. This is intense, active therapy conducted by licensed therapists under the direction of a psychiatrist. Our Tomball campus is also home to the remarkable Equine Assisted Psychotherapy Program.
