i INFO

August 25, 2020

1:00 PM – 3:00 PM

Online Webinar

Adam Gore

Abbeville County Extension

awgore@clermson.edu

Should you require special accommodations due to a disability, please notify our office ten days prior to the event

Pesticide Fate in the Environment

What happens when the pesticide leaves the nozzle?

What happens to the pesticides that we are applying and how can we use this information to make better decisions? Join us on August 25, 2020 to learn what happens to pesticides after they leave the nozzle.

**1.5 CEU credits for
Pesticide Applicators**

\$15 to Attend

**Register by
August 21, 2020**
