**SATURDAY, OCTOBER 20TH 1:30-4:30 PM**  
**NEWARK HIGH SCHOOL LARGE INSTRUCTION ROOM - 625 PEIRSON AVE**

*Join us on October 20th in the Newark High School Large Instruction Room (LGI) to share your input on the future of Downtown Newark. A group of students from Cornell University's Design Connect program that is currently assisting the village's revitalization efforts will lead an open house style community outreach event. They would like to learn different perspectives, opinions and desires for the development of Newark. Stop by and have an impact on the future of your community!*
