A **Strong Metal Brace** is Welded in Place to **Strengthen** the **Sides** and Reinforce the Entire Cabinet. This Brace Will Not Interfere with Using the Cabinet.

Two (2) Die Cast **LOCKING Handles** Engage the **Brace** to **SECURE THE DOORS** and Eliminate the Need for the Expensive and Troublesome Operating Rods that were Installed on the doors in the past.

The Cabinet is Assembled at the Factory with Electric Welding and is Very Strong and Rigid. There are NO Rivets or Snaps.

As a Special Feature, a Hanger Bar is Welded to one of the Shelves, so the Cabinet can be used as a Wardrobe Closet.

The Body of the Cabinet is Designed for all of the Adjustable Shelves to have Five (5) Contact Points, Two (2) on each Side, Plus a Fifth (5th) Contact Bracket at the Center of the Back where it is Most Needed to Provide Extra Support for the Shelf. Shelves Adjust on 2" Centers and will Support 160 lbs Evenly Spaced.

Each Adjustable Shelf 36" and wider has a Fabricated Stiffener Welded to the Underside for Increased Load Bearing Capacity.

Plastic Glides are Supplied to Elevate the Cabinet from Making Contact with the Floor and also Easier to Move for Cleaning, etc.

"JUNIOR VARSITY" CLASSROOM CABINETS

Score A+ for teaching students how to organize their possessions

All Adjustable Shelves are the Key Design Feature for Unlimited Storage Possibilities. Shelves are Adjustable on 2" Centers. A Series of "Senior Varsity" Cabinets are also Produced with the Same Specifications as the "Junior Varsity" Cabinet but with a Height of 60".

All Shelves are Adjustable or Removable

- JVOP-361848** No Casters – Open (36x18x48)
- MJVOP-361851** Casters – Open (36x18x51)
- SVOP-361860** No Casters – Open (36x18x60)
- MSVOP-361863** Casters – Open (36x18x63)

Cabinets are assembled at the Factory with electric welding for strength and rigidity, and are shipped out set up ready for use.

The JV Cabinet at left is the open style without doors, and is produced with a center panel and four (4) adjustable shelves on each side.

There are eight (8) shelves per JV Cabinet that provide ten (10) storage compartments, and ten (10) shelves per SV Cabinet that provide twelve (12) compartments.

If Cabinet is ordered with casters, a set of four (4) 3" heavy duty swivel casters, two (2) are locking, will be installed at the Factory and MDF board will be included to reinforce the bottom.

If Cabinet is ordered without casters, a set of plastic glides will be installed at the Factory to elevate the bottom of the Cabinet from contacting the floor and also make it easier to move for cleaning, etc.

The JV Cabinet at right features the style with two (2) full length doors and two (2) die cast locking handles for security and convenience. The SV Cabinet will have ten (10) shelves.

All Shelves are Adjustable or Removable

- JVDD-361848** No Casters – Doors (36x18x48)
- MJVDD-361851** Casters – Doors (36x18x51)
- SVDD-361860** No Casters – Doors (36x18x60)
- MSVDD-361851** Casters – Doors (36x18x63)

The "Organizer"

10 Adjustable Shelves
12 Storage Compartments

**All Shelves are
Adjustable or
can be Removed**

AAHO-36-G 36"x18"x72"
AAHO-48-G 48"x18"x72"

The Organizer is produced with a center panel that supports five (5) adjustable shelves on each side.

The dimensions of each shelf are 18" x 18" and one (1) shelf will have a bar welded to the underside for clothes hangers.

The shelves can be arranged close together for supplies and CD disks, or further apart for accounting ledgers and records and plastic tubs.

With the 10 shelves and 12 compartments there is unlimited potential for efficient storage arrangements.

By removing 2 or 3 shelves from one side a space would be created for long cleaning equipment, large record cases, and even a set of golf clubs.

Two (2) Die Cast **LOCKING** Handles are supplied for **SECURITY** and **CONVENIENCE**.

A set of plastic glides are attached at the factory to elevate the bottom of the Cabinet from making contact with the floor and also make it easier to move for cleaning, etc.

The “New Look” for Storage

Steel Cabinets USA has redesigned the traditional Storage Cabinet and introduced the “New Look” Cabinet with many unique features for unlimited storage opportunities to “put things away.”

Useful great looking Metal Furniture made in America at a compelling price.

Two (2) upper shelves can be adjusted on 2” centers or can be removed from the Cabinet.

Convenient shelf can be used for work area, or to locate items that are used most frequently.

The large drawer mounted on steel ball bearing tracks for smooth operation is a big feature as the place for whatever needs to be put away – but always readily available.

Two lower shelves provide ample space for general storage.

Two (2) Die Cast **LOCKING Handles** for **SECURITY** and **CONVENIENCE**.

Cabinets are assembled by electric welding and are shipped set up ready for use.

Plastic glides are attached at the factory to elevate the bottom of the cabinet from making contact with the floor and also easier to move for cleaning, etc.

There are NO screws or rivets, you do NOT have to put this Cabinet together!

All shelves are welded in place for additional carrying capacity and to reinforce and stabilize the Cabinet.

The most useful all purpose large capacity steel storage center with secure lockable efficient storage for many bulky items.

Cabinets are designed and produced at the Factory for long term business and residential storage.

Plastic glides are attached at the factory to elevate the Cabinet from making contact with the floor and also easier to move for cleaning, etc.

Durable, Handsome, Powder Coat Paint Finishes

"W" Walnut	"SB" Signal Blue	"C" Charcoal	"G" Dove Gray	"B" Black	"DB" Denim Blue	"TS" Tropic Sand	"P" Putty/Almond	"HG" Hunter Green

Compact 33" Storage Master

DESIGNED AT THE FACTORY WITH UNIQUE DIMENSIONS TO PROVIDE
AMPLE ALL-PURPOSE STORAGE AT A GREATLY REDUCED PRICE!

THE QUALITY WAS NOT COMPROMISED!!

ALL SHELVES ADJUSTABLE - NO RODS in the DOORS!

The Cabinet is Assembled at the Factory with Electric Welding and is Very Strong and Rigid. There are NO Rivets or Snaps.

A Strong Metal Brace is Welded in Place to Strengthen the Sides and Reinforce the Entire Cabinet. This Brace Will Not Interfere with Using the Cabinet.

Two (2) Die Cast **LOCKING Handles** Engage the Brace to **SECURE THE DOORS** and Eliminate the Need for the Expensive and Troublesome Operating Rods that were Installed on the doors in the past.

The Body of the Cabinet is Designed for all of the Adjustable Shelves to have Five (5) Contact Points, Two (2) on each Side, Plus a Fifth (5th) Contact Bracket at the Center of the Back where it is most needed to Provide Extra Support for the Shelf.

The Unique 33" Width of the "Storage Master" will greatly facilitate your customers being able to take the cabinet away in their own vehicle as it will be much easier for them to load. As a Special Feature, a Hanger Bar is Welded to one of the Shelves, so the Cabinet can be used as a Wardrobe Closet.

In every business or residence there is never enough storage. Your customers will always need another "Storage Master." **"Storage Masters" don't wear out and never go out of style.**

Handsome, Durable Powder Coat Paint Finishes.

"P" = Putty/Almond

"B" = Black

"G" = Dove Gray

All Cabinets are manufactured entirely at our factory in Brownsville, Tennessee, with quality American made steel, powder coat paint and heavy duty cartons for protection in transit; and are produced by dedicated Tennessee Steel Cabinet Makers.
