RE: Complaint of noncompliance with restrictions or by laws by a MPSRA member

Complaint:

(Please synopsis the facts of your complaint to include house number, dates and times if applicable, include photographs or other evidence if applicable)

I believe that the above listed facts constitute a violation of the MPSRA Declarations of Restrictions (originally filed with the Shelby County Clerks Office on 12-12-2000, (book D393, Page 760) or MPSRA By-Laws (Incorporated 1-22-2001, Revised 8-22-17) or the General Rules (Incorporated 5/17/22) in the below listed manner; and request that the MPSRA Executive Board provide notice to the violator and take appropriate action on my and the other members behalf.

I also understand that completed written complaints are not routinely shared with the subject of the complaint, in order to make every effort to preclude animosity amongst the membership. However, I do also understand that if this matter must be litigated within the Courts of the Commonwealth – this and all other pertinent information is subject to discovery/disclosure.
