

MVHS Timberwolves Foundation thanks you for your consideration to support our annual fundraiser. Please also consider joining us on March 14, 2020, at the Vista Optimist Club. Visit timberwolvesfoundation.org.

Dear Community Partner,

The Mission Vista High School Timberwolves Foundation is seeking your assistance to raise funds for our Annual Fundraising Event — A Night of Comedy and Magic — to be held Saturday, March 14, 2020, at the Vista Optimist Club.

Each year our team of more than 20 parent volunteers coordinates an annual event to help fund student programs. Mission Vista High School is a magnet school in Oceanside (Vista Unified School District) that focuses on academic, project-based learning. The Timberwolves Foundation was founded to help bridge that gap between the district budget constraints and financially fulfilling needs of many of the classrooms, teachers, clubs, sports, and extracurricular activities on campus. The Timberwolves Foundation fundraises to help support these programs to allow students a well-rounded high school experience.

This year, our event is expected to sell out, as we feature talent from the exclusive Magic Castle in Hollywood. Would you consider partnering with us in any of the following ways:

- Business Sponsorship — available in a \$250 or \$800 option
- Donation/Gift Basket — to be part of our night-of silent auction
- Join Us — Tickets are \$65 each and include dinner and entertainment
