Packing and Rules

1. Each wagon is responsible for your own food and cooking utensils, coolers for food and beverages, sleeping & camping gear, chairs, clothing and personal items, etc. **PACK LIGHT!** Bring your own drinking water, at least **5 gallons per person**. (note: Club water tanks are for livestock only). We have one freezer for Ice bags to sell and one freezer for your frozen foods.
2. Each wagon is responsible for: Cleaning of own camp area and stock area to the satisfaction of the Wagon Masters "Clean Camp Committee". You must bring equipment for staking of own stock. No stock is to be tied to any trees, shrubs, fences or emergency vehicles. No tie line will be available. Animals must be staked out.
3. Brakes are recommended on wagons. Shoes are recommended on stock, because of miles of rocks.
4. Each wagon is limited to four (4) passengers, a driver and a swamper. Outriders (maximum of 6) must be with a wagon. Exceptions are by a club vote. Outriders are expected to be the wagon communications and traffic control.
5. This is a '**Family Activity**' Children of all ages are invited. No unsuitable actions such as "drunkenness, drunk driving, use of illegal drugs, profanity or vulgar action." Drug abuse may be reported to the rangers by anyone.
6. Trucks and trailers are limited to the club's emergency and support vehicles only. **(limited to 4 per BLM)**
7. If Corral #14 is charged by the BLM for damage or cleanup, the offending WAGON DRIVER, and his/her passengers or outriders, agrees to pay the charges.
8. Recommendation – Work your animals. They must be in good physical condition for this drive. Know how much weight they can pull. Do not overload your wagon.
9. Each wagon is to bring personal trash bags. Club provides shovels and rakes for cleanup.
10. The corral will provide: Chemical toilets, wood for camp fires, water for stock, trash bags for manure, truck to haul trash, and a support vehicle. Ice will be available for sale at a nominal fee. A freezer is provided for frozen dinners you can make ahead of time.
11. Dogs may come if you keep the following rules:
 - a). **MUST** be under control **AT ALL TIMES**, on wagon or in camps.
 - b). **MUST** have current license and rabies certificate.
 - c). **MUST** clean up any messes left by dogs, including holes.
12. Stock must not graze on natural vegetation.
13. Left over feed and manure must be placed in trash bags and taken to trash trailer.
14. **No digging. Holes dug by stock MUST be leveled at each camp.**
15. All wagons, stock and motor vehicles **MUST** stay on roads and in **AUTHORIZED** camps. You must not drive on open land at any time day or night. Tire tracks must be raked out after leaving camps.
16. Fires must be in self-contained units with metal sides and bottoms. Ashes and unburned wood must be hauled away.
17. Each campsite must be returned to its natural condition.
