## Overview

Waypoint, LLC is an environmental and cultural resource consulting company providing ecological and archaeological surveys and assessments. Our staff has over 50 years of consulting experience. We understand the complicated and delicate situations which may arise when working with the environment and seek to simplify and streamline projects to meet our client's goals. We resolve challenges with efficient, dynamic and pragmatic solutions.

## Differentiators

- The Waypoint team consist of highly motivated individuals with a strong work ethic.
- We have the experience to streamline projects and identify potential problems within each project.
- Our team can identify our clients needs and how to meet them in the most cost effective manner.
- We address the most difficult aspects of a project from the starting point to allow the rest of the project to fall into place and be completed much more efficiently.
