

At the Village Board meeting last night, Gary VerStraete, Patty Latta and Bob Howard were recognized for their many years of service to the Village of Newark. Gary VerStraete has been with the police department for 32 years, Patty Latta for 34 years, and Bob Howard for 24 years. Words that were used throughout Chief Mark Thom's presentation to each were: dedication, commitment, devotion, unwavering support, compassion and protection. Thank you for your service and congratulations on your retirement!
