

# 7 TRIBES

**1 GOD** believes in '**Tribes**'.

**7 Tribes** are **1 GOD's** people living in **7 Provinces** and many Shires living in harmony with the Habitat !

**1 GOD's** long term vision for humankind. Always was that of **7 Tribes** with **7** main languages and many dialects. Globalization is destroying this vision, making Globalization Anti **1 GOD**. **Unacceptable!**

There are **7** (American, Arabian, German, Hindi, Indonesian, Mandarin, Spanish) main languages. **1** language for each Tribe. Each Tribe have their own local dialect, customs, traditions. **These are preserved!**

**1 GOD** created humans to be social, seeking the company of others. **HE** and **SHE** seek each other to mate, multiply, companionship, to share, start a family. The new family socializes with their own extended family and with other families: **Shire** (community living). Neighbouring communities join becoming a Tribe!

Tribal living is the Custodian Guardian way. Tribal life consists of the family unit (**HE, SHE, Children, Pets.**). Family units join to build a community (**Shire**) of social responsibility, moral integrity for a pursuit of a common good for all.

Becoming, raising a family is a combined effort (**parents, educators, medics**) of a Community. **HE, SHE**, their family live in Community Cluster Housing rentals provided by a Shire! **HE** and **SHE** are workers employed on multiples of, '**wmw**' (weekly minimum wage). The family attend Community Education, use Community Health. They respect dialects, elderly, heritage, traditions and practice knowledge continuity.

Every Tribal-member is obliged to do community-duties. Which gives them privilege of receiving community rights. **Enforceable by Law.**

Fulfilling our common destiny to explore space, colonize the Physical Universe becoming it's custodian.

They vote for committees with equal representation. They volunteer. They believe in cremation to set the Soul free and for community health. HE and SHE on Funday attend a Gathering and adhere to Fun Day themes. HE and SHE use New Age time management. They use a **Law Giver Manifest** as guide.

Tribes need Governance! Custodian Guardians support 2 tier Governance, spiritual & political. Spiritual is 2 tier, local: 'Gathering', provincial: 'Oratorium'. Political is 2 tier, local 'Shire', provincial: 'Parliament'.

Governance comes through elected equal (HE, SHE) representation. Elected equal representatives form a committee dividing (by skills) responsibilities. Leadership by 1 is Tyranny! Governance by elected committee is fair.

A committee has equal representation of HE, SHE. A Gathering has an elected committee of 7 HE and 7 SHE who form the 'Klan'. The Oratorium has an elected committee of 7 HE and 7SHE who form the 'Orackle'. A Shire committee has 2 elected (1 HE, 1 SHE) + Advisors who form a 'Council'. The Parliament consists of elected 35 He and 35 SHE. These elected then elect 7 HE & 7 SHE to form Government.

Governance needs Accountability. Governance makes Rules and enforces these rules. Rules are based on Social Justice and Moral strength. Rules enforcement establishes Truth hands out mandatory Sentences uses Rehabilitation and fair compensation to give Justice!

Justice a !BASIC! human need. Justice is essential for a community to function & survive. Justice has to establish 'Truth' and rectify In Justice. Justice starts with "YOU". You need to be 'Just'. Being Just is the foundation from which 'Justice' rises up. Being Just and receiving Justice is ideal. Reality is that there are unjust people who create In Justice. Every person has a moral civil (public) duty to remove In Justice.
