

CAPABILITY STATEMENT

General Contracting & Construction Management

Lunacon Construction Group, Corp. is an 8(a) certified Hispanic/Woman owned Construction Company founded in 2007 by Patricia Bonilla, with client satisfaction as our # 1 Priority.

Lunacon differentiates itself by providing unparalleled service, evidenced by our outstanding CCAS Performance record. We stand by our No-change order, No Litigation Promise! Lunacon's main objective is to become a trusted partner at each one of your projects.

Safety and Quality are of utmost importance, that is why we maintain an impeccable record reflected in our low EMR ratings, and our ISO9001:2008 Quality Control Certification.

Lunacon's Goal is to bring you the best quality while keeping our people safe!

We look forward to serving you in your next project!
