

MOTIVATED PREMIUM CLEAN®

This package is designed for our most discerning clients who want the highest level of quality and service. Your entire home is **completely deep cleaned and then kept that way permanently** through our proprietary Motivated Premium Clean Checklist®.

Bathrooms

Kitchen

Common Areas

Bedrooms

On each of the first few visits we'll completely deep clean one of these areas then thoroughly clean the rest of your home following our proprietary Motivated Premium Clean Checklist® to ensure nothing is missed.

On subsequent visits, after the home has been fully deep cleaned, there are items we will clean every visit, such as your toilets, and there are deep clean items we will rotate in each visit, such as your baseboards, thus ensuring your home is always at the deep clean level!

Alternately, rather than have your home deep cleaned over the first few visits you can opt to have it completely deep cleaned on the first visit!

Why Choose Motivated Maids®

Because Motivated Maids® will provide a quality clean every time, whether it is your first clean or your one hundredth! Our Motivated Merit Pay System® ensures our awesome Professional Maids are highly motivated to consistently provide a quality clean. Here is how it works:

After every clean you'll be sent a customer satisfaction survey that takes just seconds to complete, literally. In return for completing this survey the same day we agree to provide you with our 100% no-hassle Motivated Clean Guarantee®!

We'll ask you to rate your satisfaction with your clean on a scale of 1 to 10. Then we'll ask you what we could have done to score higher. That's it. Quick, simple and easy!

Every two weeks we calculate each Professional Maid's average customer satisfaction rating. That rating and that rating alone then determines how much we pay them for that period thus highly motivating them to provide a quality clean time and time again; hence our name... Motivated Maids®.

Motivated Clean Guarantee®

If you're ever dissatisfied with your cleaning simply let your Motivated Maids® office know within 24 hours and we'll happily re-clean the area or item... no problem... no hassle and at no additional charge.
