Organizations can earn 50% profit with 120 or more items sold, 40% if less than 120 items. Our \$10 Jar Brochure, only, requires 150 items to receive 50% profit. Potential profit is based upon organizations who qualify for free shipping. Non-exempt groups report their own tax and can collect tax. Heritage Candles offers one of the highest profit margins in the fundraising industry. How much your organization makes is entirely up to you. Pricing is very affordable and profitable for your fundraising organization. When you sell a Heritage 12 oz. No. An organization has no upfront cost for the brochures. Brochures are provided complimentary, but we require that once you've submitted your sales agreement you do not cancel your fundraiser.

How should we collect the money?

We suggest you collect all payments when you take your orders. All checks or money orders are made payable to your organization. At the conclusion of your fundraiser, your organization will keep your profits upfront and send one payment to our office for the total cost of the products purchased and any shipping fee if any.

How do we submit the order once we have collected them?

Once you have received all forms from your group, a member of your group must tally the order forms and fill out the master order form (printable from our website ToolBox) and specify how many of each item was sold. Your organization will keep your fundraising brochures, order forms, and profit.

How do we pay for the order?

When you submit your master order form, we will email an invoice to you. Once payment has been received by business or school check, cashier's check, or money order payable to Deb Murray, the order will be processed. Tax laws vary significantly by state, so please check with our office or refer to the exemption requirements in your state by visiting the **Tax Exemption** link on our website. If your organization is not state tax exempt you can collect additional money for reporting your sales. Heritage Candles will not collect tax and require organizations to report their own sales.

How do I handle any late or add-on orders?

We will be happy to process any late or add-on orders. Additional orders submitted after the original order has been entered will be a new and separate order and will be subject to applicable shipping fees. There are no minimums for placing an order.
