Passing the Baton

I'm sure many of you have seen or watch field and track on TV. Some events are individual and others are team events. Regardless which event an athlete competes in his goal is to be the fastest and the best. He relies on his training and experience to accomplish this. One event called the 4 X 400 or 4 X 800 relay requires practice and team effort to be successful. Handing off the baton to another team member while running requires hand and eye coordination and lots of practice. When each team member has accomplished this along with speed they are ready to compete with other relay teams. Their goal is to capitalize on all the hours of training and be the fastest in their relay event.

In the Bible, the baton, mantle, and blessing, were passed on to another person (II Kings 2: 917). Elijah and Elisha were great prophets. Elijah passed on to Elisha his blessing (Det. 3:28). Moses passed on a charge to Joshua to lead the Children of Israel to the promise Land (Genesis chapter 2426). In the story of Abraham; Isaac and Rebekah; Jacob and Esau ... The blessing was passed on to their sons. As that mantle and blessing were passed on, there were responsibilities.

In the next few months as our club holds the election for the 2016 Club Officers, a baton(s) may be passed on to another person(s). Receiving the baton does have responsibilities and challenges. It's like the relay team member who is responsible to receive the baton and carry it to the next member or take it to the finish line. The goal is to be the best and finish first with honor.

Dwain

IMPORTANT NOTICE
*****ELECTION PROCESS CHANGE*****

In response to a suggestion made by a Club member, the nomination and voting process for the annual election of the Board of Directors and Officers for 2016 was reviewed with the following changes presented and approved by the membership at the September meeting: (All of the changes are in compliance with the existing By-Laws.)

- Nominations and Volunteers will be accepted from the floor at the October meeting (10/13/2015). Please confirm your nominee is willing to serve prior to the meeting.
- Nominations by mail or email will be accepted through the the first Tuesday in November (11/3/2015). Send postal mail nominations to Bobby Stout. Email nominations should be sent to both Bobby Stout (Bob@34ply.com) and Pat Friesen (manpaaya@juno.com) and copy the current Board of Directors and Officers. Please confirm your nominee is willing to serve prior to submitting.
- Once nominations close and nominees are properly vetted, a sample ballot will be emailed to each member prior to the November 10th meeting.
- A printed ballot will be distributed at the November meeting listing all nominees for each position. Proxy letters and votes will also be accepted at this time.
- Jim Rowlett will serve as the voting tabulator on the night of the election.
- If a simple majority of votes is not received for any one position, a blank ballot will be made available for a run off vote to be taken among those present at the meeting.
- The results of the voting will be announced prior to the close of the November meeting.

A list of positions open for election and a brief description of responsibilities is included in this newsletter. Please consider volunteering your services to your Club. You will find the experience both rewarding and fulfilling as you expand relationships with other members.

We had another good show in September considering the happenings in downtown Ft. Worth. We had 173 cars/trucks. I think we finally got the ice situation straightened out. October is our Christmas show and Mr. and Mrs. Claus will be there. We will use a flat bed trailer this year to collect the toys and we will decorate it with a Christmas tree and lots of ribbons. Remember to wear your Christmas attire to the show. Invite all the little grandchildren that would enjoy Santa.

The annual CCC fish fry is Saturday, October 24th, from 1PM to 3PM, or longer, at the Veach house. Please ask your date what they would to eat, catfish or chicken, and come to the club meeting with your order. We need to know how many of you plan to come as the Prez needs to start fishing and catching them. HA!

Remember Borne is coming up soon. Some club members leave on Thursday morning and others leave on Friday. We'll go to the Fort Sam Houston Rehabilitation Center to visit the soldiers. If you have never gone on this trip it is a real blessing. Afterward we go on to Boerne for the Hot Rod Show where we have a lot of fun shopping and eating.

See you at the next club meeting on October 6th at 7:00 pm.

Cruisin' Along...

Parker County Cruisers' Show, Weatherford and Motorhead Sunday in Abilene

Twenty-eight (28) members met at Wanda's in Weatherford for breakfast Saturday, September 26th, from there we proceeded to the Parker County Cruisers' car show. More CCC members joined us there to help judge the show. We left Weatherford following the show and cruised to Abilene with 5 cars, 2 had gone on ahead. We had a great time at the hotel in Abilene and enjoyed dinner at Lytle's Land and Cattle Steak House. On Sunday there was a full house at Church. Eight CCC members had their cars on display for Motorhead Sunday and 17 members attended the service at Caps United Methodist Church with Rev. Jim Rowlett giving the sermon. On the way back we had a convoy of 8 cars. Everyone had a good, safe time. Thanks to all that were able to go. We hope to see more folks join us on our next cruise October 10th, to BAMC and Boerne.

Thanks
Burl & Darla

Factoids & Giggles

FACTOIDS

If you are an average American, in your whole life, you will spend an average of 6 months waiting at red lights.

Winston Churchill was born in a ladies' room during a dance.

Cats have over one hundred vocal sounds. Dogs only have about 10.

HOW CHILDREN PERCEIVE THEIR GRANDPARENTS

I didn't know if my granddaughter had learned her colors yet, so I decided to test her. I would point out something and ask her what color it was. She would tell me and was always correct. It was fun for me, so I continued. At last, she headed for the door, saying, "Grandma, I think you should try to figure out some of these colors yourself!"

When my grandson Billy and I entered our vacation cabin, we kept the lights off until we were inside to avoid attracting pesky insects. Still, a few fireflies followed us in. Noticing them before I did, Billy whispered, "It's no use Grandpa. Now the mosquitoes are coming after us with flashlights."

Children's Logic: "Give me a sentence about a public servant", said a teacher. The small boy wrote: "The fireman came down the ladder, pregnant." The teacher took the lad aside to correct him. "Do you know what pregnant means?" she asked. "Sure", replied the young boy confidently. "It means carrying a child."
