Notes:

- A **File Preparation:**
 - **We can print** from most formats, but we do prefer TIFF files saved in the Adobe RGB (1998) colour space. We also accept JPEG, PDF, and PSD files.
 - Images should be at least 300 PPI (Pixels Per Inch) at 100% for highest print quality.
 - You could either email your images, use our upload link, or share a Dropbox with us. [print@brighterwall.com]
- B **Turnaround Time:**
 - Orders will generally turnaround within 2-5 business days, but special orders may take longer. We do offer a rush print service for a flat fee of \$25 per order.
- C **Other Media Types:**
 - We do have other media available. If you had a certain media type you were interested to print on, please inquire with us.

Thanks for printing with Brighter Wall !
