## -----URGENT COMMUNITY MEETING-----

*Conserving Gold Canyon and the Superstition Foothills:  
Our Future - It's Up To US!*

**Monday, March 23, 6:30 P.M.**  
**Gold Canyon United Methodist Church**  
Sanctuary, 6640 S Kings Ranch Rd, Gold Canyon, AZ 85118

Superstition Area Land Trust (SALT)

**Purpose:** To inform the Gold Canyon community of a way to protect its vistas, character, and feel in the face of continuing development.

**Agenda:** **Powerpoint Presentation, Discussion & Audience Questions**  
Charlie Goff & Chuck Backus, SALT Board Members

### **Q & A:**

**Who should attend this meeting?** Those who care about the future of Gold Canyon and the lifestyle it offers.

**What is SALT's mission?** To conserve the natural Sonoran Desert open spaces to the south of the Superstition Wilderness Area.

**Why should conserving the Superstition Foothills matter?** Because of their unique beauty, intact ecosystems, recreational value, and sweeping vistas.

**Why is it urgent to "Act Now", and what happens if we don't?** Because of new opportunities to conserve these lands, and prevent the mass-grading such as south of Sleepy Hollow Rd. in Gold Canyon.

**Is SALT anti-development?** SALT's Superstition Area Land Plan designates State Lands suitable for development nearer to and on the south side of US 60.

**How can I help?** Educate yourself about the issues at hand and express your support for maintaining a buffer between Gold Canyon and the Wilderness.

**We hope to see you there!**
