

2018-19 Sponsor Request Letter

Dear Business Owner/Friend of YFC,

Let me take this opportunity to introduce you to **Yorktown FC Soccer (YFC)**, based in York County, VA. The YFC club fields youth teams with the goal of developing soccer skills for both boys and girls (ages 7-18) throughout our community. The club was formed in 2007 as a lower cost alternative to traditional local select/travel organizations that charge much higher fees to cover salaries for directors, administrators, and coaches for every age group. **Yorktown FC** is guided solely by dedicated volunteers and is an approved 501(c)(3) tax exempt organization. Every person involved in any capacity with the club does so because of their love of the game and desire to provide a quality experience for the youth involved. Our only sources of revenue are the dues paid by parents and donations received from generous individuals and businesses in our community. With minimal dues barely covering insurance, officiating and league fees, game and practice field rental (one of the largest expenses per season), team training equipment, and coaches' education, the club and each individual team have to find ways to cover always increasing costs without breaking too far from the financial reasons we originally formed. In the last four years, YFC has seen unprecedented growth and now fields 14 teams and serves over 200 players and their families. It is the family-first mentality and commitment to children in our community that we believe has led to the tremendous growth and overall great club reputation. And with the wonderful volunteers and committed families already in place we believe our community club will continue to grow and prosper.

Yorktown FC simply strives to provide a quality experience, at an affordable cost and with knowledgeable coaches, for players and families that want more than just the recreational atmosphere. The philosophy from coaches AND parents is that we are in this for the children involved in the program, not for financial or personal gain, surrounded in a safe and enjoyable environment for each person involved with the club at every level. We are not only teaching kids a sport, we also want to instill a sense of pride and involvement by giving back to our community at every opportunity.

In order to make this experience a reality, we are asking businesses, family, and friends to help our efforts and continue to be a great affordable program for our youth by becoming a team or club sponsor or simply donating to the club or an individual team in any amount. If you or your company cannot afford to donate at this time, we completely understand and greatly appreciate your time and consideration. We invite you and your family to stop by the McReynolds Athletic Complex on weekends this fall and spring to watch our teams compete and at soccer fields around York County during the week to see the players train and enjoy learning the game.

Please contact Jeff Sykes, Club Director and U17 Patriots coach, at 757-969-5998 or jeffsykes@cox.net for further information. You can also check out the club website at www.yorktownfc.com or on Facebook at www.facebook.com/yorktownfc. For Tax reporting purposes, all checks must be made payable to **Yorktown FC**. All sponsors will receive advertising/sponsorship invoices for tax reporting and deduction purposes.
