And Now.....

THE NEWS

Hello harmonica players! No meetings in August. I still have not heard from Grant St. as to when they will open. I also expect that we won't meet in September but in October for the (July 4th) party I think we can make that happen.

Don't forget that SPAH is having online events this month. Try to get on at least several of those. There will be entertainment and seminars. Lynn and I miss you all and am looking forward to getting together live again. In the meantime keep on Harpin'!
