

EXPECTATIONS

The goal of setting expectations is to provide clear statements of desired behaviors which contribute to the achievement and well-being of all people in the school. These are NOT more rules, but should be modeled and reinforced by all staff. For example:

- ✗ **Give your best effort.**
- ✗ **Be verbally respectful.**
- ✗ **Have a positive goal.**
- ✗ **Be considerate with others.**
- ✗ **Follow directions carefully.**
- ✗ **Keep our school neat and clean.**

Modeling is our best teaching strategy. Look for opportunities to reinforce others – staff and students who are demonstrating these expectations.

“Great works are performed not by strength but by perseverance.”

Samuel Johnson
