The purpose of this report is to provide a transcript of a very insightful interview of a young male UK Teenager, James Harvey. He appears to be truly 'Woke' about the dangers of taking the COVID-19 Injections. He was interviewed in public while the Globalists seek to Cull Humanity starting with the Elderly and the Disabled; now they are targeting the young Teenagers like himself. Note that the Employees of the CDC and FDA are not required to get the COVID-19 'Vaccine' but they want everyone else to be required to get it. Seems the Globalists who rule the world now seek to be 'Deified' and define what 'Truth' and 'Science' is for everyone else.

They seek to rule the 'Plebs' as the Neo-Serfs. They want the Teenagers to 'Obey' or deny their ability to have opportunities. The Globalists seek to squeeze Humanity into submitting to Mandatory Vaccinations. Why? It would be one thing if the so-called 'Vaccines' for COVID-19 were truly 'Safe and Effective' or could prevent Infections, Transmission and provide a lasting Immunity. They do not. Why not? They do call it an 'mRNA Vaccine. It is considered a vaccine, but it is not because it is not about curing COVID-19. That was just the cover. It is what is inside the COVID-19 Shots that the Power-That-Be want all of Humanity to have, that is if they survive the Adverse Effects.

Teenagers like the one being interviewed and posted to Twitter and Children are the least to be affected by COVID-19 and their Recovery and Survival Rate is nearly 99.97%. The issue is that it will not just be 1 COVID-19 Shot. It will be endless ones, requiring 'Booster Shots' that have to be taken for Life. It will be these Boosters that will complete the mass Culling of Humanity. By the time the 3rd Booster will be administered, there will be a 90% Death Rate. This rate was derived from Poultry Trials and why the Animal Trials were skipped and went directly into Humans. And these Shots are still an Experiment, no less. And these 'Vaccines' are being mandated? Yes.

The 'Official Scientific Narrative' rejects Natural Immunity as hundreds of thousands have recovered from COVID. Yet, such People are still required to be Injected by order of the Authorities. As Dr. Robert Malone, who invented the mRNA technology for those COVID-19 Injections said in a following Tweet. *'For thousands of years, Disease Pathogens have spread from person to person. Never before have Carriers been blamed for infecting the next sick person. That is a very dangerous ideology'*. What follows is the short but very concise and well-thought out response, genuinely from a not-so-typical UK Teenager. Perhaps there is still hope for Humanity if all such Teenagers of his Generation thought alike and were like him in terms of Critical Thinking Skills. Most, if not all of such a Generation, to include Adults are not like him.

Interviewer

You are obviously aware of the Adverse Vaccine Reactions. Not everyone is.

UK Teen James Harvey

Yeah.

Interviewer

So, you do not want to take vaccine. What pressure have you had from Friends or Family? Because your particular age group have been targeted lately, in terms of Night Clubs, Universities, going on Holiday.

UK Teen James Harvey

So, my Auntie works for AstraZenica. So, the pressure from her Family, well some of my Families, ...the are vaccinated. 'Why have you not taken the vaccine?' 'Why have you not taken the vaccine?' 'You are selfish'. My cousin, well my cousin from Cambridge has even gotten me a Twat over it; not getting the vaccine, you know?

But, and I have lost Friends over it as well. There are some friends though who have... wont' take the vaccine, no matter what. And that is because they have seen what it has done to People. I have Friends who are very ill and have not been, have not been well since the day they took it, and have regretted it.

But, I have also got Friends who, well, 'If you do not take the vaccine, you will be killing other People.' But if you can still get it, when you have gotten the vaccine, how am I killing other People? It does not prevent Transmission. You can still pass it on. You can still get it. So, how am I killing other People? I am not being selfish. It is My Body, My Choice.

Interviewer

So, what is the World looking for you? You know, for the Younger Generation? If this Vaccine Passport is taken-up by the Majority...What do you think the World will look like in 1 year?

UK Teen James Harvey

In 1 year? I have no idea. It is straight out of the 1984 Book. ...Where, the idea that we are going to get out our Phones, get our Passes and show our 'Papers' in the streets or if you want to go into a Pub? It is funny. It is honestly funny. The People do not see how, where this is going. Where this is going, where we have to...

You know, it is about Control. You know. ...If the Government, if you allow the Government to break the Law and to violate your Rights because of an 'Emergency'? What stops them from creating an Emergency to break the Law?

*NOTE: A Twitter 'Warning' Label was placed under the video clip.
'This Tweet is misleading. Learn more about how vaccines work.'*

In the UK:

The Latest Report show that 67% of Delta COVID Deaths are among Vaccinated. It is only 48% of Cases among the Vaccinated. The AstraZenica Injection has failed to stop Transmission.
