

Ashtead All Stars 2021-2022

Update No.9, Sunday 30th January 2022

Dear all,

Today took us all by surprise. The ice wasn't predicted and it played havoc with the junior matches we had scheduled. After a week of organisation and re-organisation due to covid, and teams still changing at the very last minute, it was really disappointing to be faced with yet another challenge. Fortunately we managed to get some matches played, once the ice had melted, and the remaining matches will be re-scheduled in March.

The adults teams were back in action after a temporary pause due to covid, so it was good to see them take to the courts again this weekend in their first matches since before Christmas.

Thank you to all the girls who had offered to play twice this weekend to compensate for all those who were isolating, thank you to the coaches who had to arrange and re-arrange so many times, and thank you to the girls and parents who so patiently waited to find out if their matches were on or off.

Important Notice regarding the 10/11 year Anniversary Dinner Dance

Sadly we have had to cancel the 10/11 year anniversary dinner/dance. We are all bitterly disappointed as many of us were looking forward to this but unfortunately we didn't achieve the numbers we needed to host the event. Please be assured you will all receive your deposits back. If you are due a refund, please email the Treasurer with your account details including account name. treasurer@ashteadallstars.com. Please be patient as the Treasurer will have a lot of refunds to work through.

When we booked the anniversary event at the start of 2020 we had regular netball training and matches, teams across all age groups playing weekly with strong support from parents. We had recently taken 100 members to the Netball World Cup in Liverpool and hosted a BBQ for similar numbers to watch the final. A quick straw poll suggested we would easily get the 120+ people we needed for this event.

Nearly 2 years later training and matches have been stop/start and parents/spectators have been largely kept away. As a result the good will that was so strong in 2020 has waned a little and whilst the initial demand for tickets was good we have struggled to build on this number and achieve the minimum number we required.

All our efforts will now be focussed on the end of season tournament in April!! This will be 23rd or 24th April. TBC.

A huge thank you to David, our Events Organiser, who has put a lot of work into getting the event this far. "Organising and then cancelling" is a by-product of covid - and I think we are all getting used to it now. We just need to take a huge "sigh", and then carry on!!
