

PRODUCT NAME / IDENTIFIER _____

DILUTION _____

SIGNAL WORD _____ DANGER _____ WARNING

HAZARD STATEMENT(S) _____

PRECAUTIONARY STATEMENT (S) _____

The image shows a set of GHS hazard pictograms and a legend. The pictograms are arranged in a diamond shape with a red border. The top row contains: a tree and fish (environmental), a hand being washed (corrosive), and an exclamation mark (irritant). The middle row contains: a hand and a liquid splash (corrosive), a skull and crossbones (toxic), and a flame (flammable). The bottom row contains: a flame (flammable), a person with a star on their chest (health hazard), and a flame (flammable). To the left of the pictograms is a diamond-shaped hazard class legend with four quadrants: red (top), blue (left), yellow (right), and white (bottom). To the right of the pictograms is a legend box with four categories: HEALTH (blue bar), FLAMMABILITY (red bar), REACTIVITY (yellow bar), and PERSONAL PROTECTION (white bar). Each category has a white circle next to it.

Black out GHS pictograms that do not apply.
