

## Unharnessed

God's standard of success is not the same as Man's standard of success. God's standard is that you serve according to the gifting that He's given you. As 2018 approaches purpose in your heart to embrace the gifts you've been given and make the most of your opportunities in the days ahead.

When you walk in faith, you are walking in the truth of His power. His power is unharnessed. His power is not restrained by circumstances. Purpose in your heart to make changes in how you think so that His power is released more in your life.

Purpose to believe Him in all things keeping close in your mind that as He enters your situations He brings all the resources of heaven along with Him. Remember, God sees everything. Your Heavenly Father sees what you're going through. No matter what you struggle with, no matter how tremendous the trial, don't forget that He sees. God has a purpose, and He has a plan. Each trial in 2018 has the potential to change you into more like Him.

Heavenly Father,

Help me in 2018 to not lose heart, and to walk by faith. I ask right now that you Forgive me Lord, for I know that I often look in other places for strength and stability and miss Your blessing in my life. Forgive me for all the times that I turned to the wisdom of the world, instead of turning to You. Forgive me, for all the times I was quick to take matters into my own hands and do what is right in my own eyes. I want 2018 to be filled with better choices.

I confess that You alone are God, there is no other, and I trust in Your name alone to save me. I rest in Your sovereignty and hope in Your Name. I acknowledge that You know all my ways, and that You will bring me through the storms. I submit myself to You alone and stand against the schemes of the enemy in Jesus Name. Amen
