Dear Mr. Jacobs:

On behalf of Robert P. David, Director of the Office of Statewide Health Planning and Development; and Scott Karpinen, Chair of the Hospital Building Safety Board (Board); I would like to thank you for your help with appointing the Engineering Geologist to the Board.

Mr. David has reappointed Dr. Lou Gilpin as the Engineering Geologist representative to the Board. Dr. Gilpin will serve a four-year term, that began October 2015.

We appreciate your participation and look forward to your continued support. If you have questions, feel free to contact me at (916) 440-8449.

Thank you,
