

Special Berkshire Township Trustee Meeting, October 19, 2015

9:30 am Rod Myers called the meeting to order.

Roll Call: Mike Dattilo, here and Rod Myers here.

Attendees: Dan Hale, Jeff George, Doug Riedle, Mike Metzger

Rod Myers advised this a special meeting is to review the condition and anticipated repairs and maintenance of Berkshire Township Roads.

The group reviewed the following roads 3B's&K, Wilson, Blayney, Joe Walker, Alexander, Golf Course, and Plumb. Different methods of repair and maintenance were discussed for each road as follows.

3B's&K Road: Re-stripe, full depth repair at address 1434, optional ditch repair by adding pipe and covering to support the edge of the road, and possibly chip seal with "89" the onyx over top.

Wilson Road: Crack seal, re-stripe and new arrows.

Blayney road: Berm shave and areas of full depth repair

Joe Walker: No maintenance but need road signs. Doug to resend email with details of recommended signs.

Alexander Road: Grader patch and chip seal.

Plumb road: No maintenance at this time. Will wait to see the scope of work to be completed by the State of Ohio in 2016. Then will review road again.

Golf Course Road: No maintenance at this time. Will wait to see what developer is required to do when new development is approved. Then will review road again.

No vote or action taken during meeting.

Motion made to adjourn meeting, vote unanimous. 10:45
