Welcome

Welcome to the All Saints Academy Extended Day Program! In choosing All Saints Academy for your son or daughter, you have demonstrated a commitment to the values and philosophy of a Catholic education. This same commitment is anticipated as you entered into a partnership with the All Saints Academy Extended Day Program.

The All Saints Academy Extended Day Program provides a safe, welcoming environment for the students of All Saints Academy to pray, learn, play, and foster relationships outside of the comprehensive classroom. In turn, parents will be assured in knowing that their child is in a safe and caring environment.

The Extended Day Handbook reflects the policies for the 2017-2018 school year. Please read this document carefully and sign the attached agreement. This agreement states that you intend to abide by the policies of All Saints Academy Extended Care Program during the 2017-2018 school year. Failure to uphold this agreement may result in your child/children's termination from the program.

The Extended Day staff looks forward to working with you and your child in a positive experience as we build a community of faith, family, and spirituality. Please feel free to contact me at any time with questions or concerns.

Brian Betty

Extended Day Program Director

Extended Day Program Overview

The All Saints Academy Extended Day Program strives to provide a high quality, safe, and Christian environment for our students. We consider our program an extension of the Christian environment offered during the school day for students in Preschool through Grade 8. The program is run by a Director and supported by dedicated, enthusiastic staff members. Students enrolled in the All Saints Academy Extended Day Program participate in a variety of activities including: outdoor and indoor games, arts and crafts, homework time, movies, and holiday celebrations. The program is offered on days when school is in session. Participation in the programs is a privilege; students must adhere to the Behavioral Guidelines in the Parent/Student Handbook.

Policy

- The Extended Day Program is a self-funded program and therefore relies solely on up-to-date accounting. Prompt payment will allow this program to continue and be fiscally sound throughout the school year.
- If a parent or guardian fails to meet the Extended Day Program fee payment schedule within 10 days of payment due date, and does not make adequate arrangements in times of crisis with the Head of School, the child(ren) will not be allowed to continue in the program. Readmission will be possible when the billing is settled.

- The School Health and Emergency Information form will be provided to the Director of the Extended Day Program at the beginning of the year.
- Please note that the final report card will not be issued to any student who has a delinquent tuition or Extended Day payment.
- Students who are sent home during the school day as a result of illness will not be allowed to return to school to participate in the Extended Day Program.

Early Closing

When the Webster Public School dismisses early due to inclement weather, the Extended Day Program is canceled. If the Public Schools do not dismiss early, but the weather deteriorates after 2:15 PM, it may be necessary to close the Extended Day Program. Parents/Guardians will be notified.

Cell Phones, I-Pads and other Electronic Devices

During homework time, students participating in the Extended Care Program should at no time be making calls, texting, taking photographs, playing games, listening to music, or watching videos on their electronic devices. This includes, but is not limited to: cell phones, I-Pads®, I-Pods®, E-readers, etc. Items taken away from students will be returned to the parent(s)/guardian(s).

Conduct

Appropriate student behavior is a subject that we are continually teaching. Successful student behavior is based on love. It means caring enough to give each child structure, order, and security. The aim of our faculty and the Extended Day staff is to provide a positive, nurturing school environment that will bring about well-mannered students. Most students will experience little difficulty living with the policies of the Parent/Student Handbook and our school procedures. When a student is in violation of a school policy, attempts to have the student change his/her behavior in line with the school rules will be made by the teacher and the Head of School. Parents/guardians will be notified and asked to share in this responsibility. This is a team effort!

The Extended Day Program will follow the Behavioral Guidelines as outlined in the Parent/Student Handbook. Please be sure you have read and understand the guidelines.

The Extended Day Director in collaboration with the Head of School reserves the right to determine the appropriateness of an action if any doubt arises.
