Architectural Cast Stone Products

Sand-Set Cobblestone Pavers

Ancient Stone™ Cobblestone Pavers — Make your driveway stand out from the rest. Our unique casting process gives these pavers the look and strength of natural stone at a great price! Available in four sizes, based on a 12" pattern, and three beautiful color blends, they will match any décor.*

**Available in 6"x 6" x 2.5", 6" x 12" x 2.5", 12" x 12" x 2.5" and 12" x 18" x 2.5"*

Desert Brown

European Gray

Red Rock

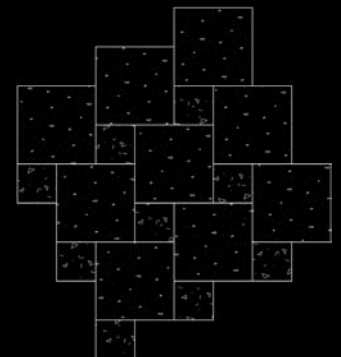

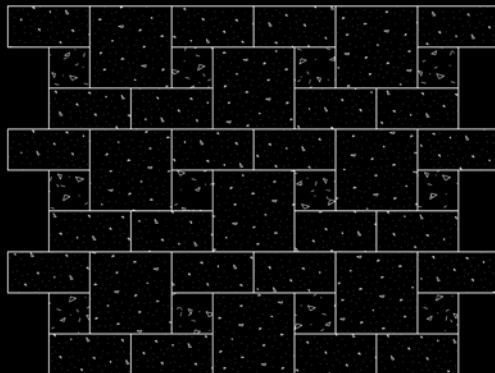

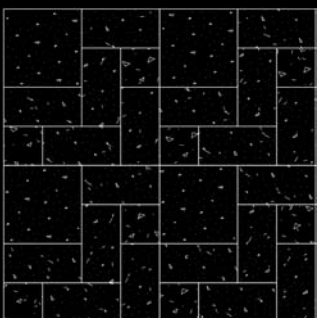

Ancient Stone™ is available in a wide variety of rich southwest colors and is a natural alternative to flagstone, Mexican tile, stone, cooldeck and virtually any other material now being used. Once you see it, you won't settle for anything less. Ancient Stone™ represents the best in strength, security and beauty.

Sand-Set Deck Pavers

Ancient Stone™ Sand-Set Deck Pavers — Color for color, they are cooler than Cooldeck! At 2" thick, Ancient Stone™ Sand-Set Deck Pavers allow you to save precious time and money in creating a beautiful patio. You can have the luxurious look of Travertine, but in a cool and non-slip surface. Ancient Stone™ Sand-Set Deck Pavers are the best pool and patio pavers available anywhere.

Sample patterns – see catalog for full selection of patterns and individual piece sizes

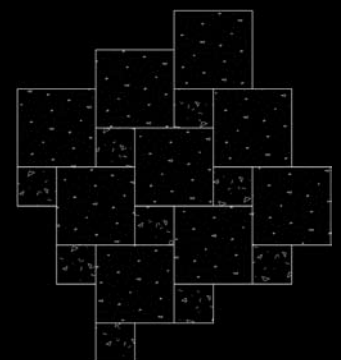

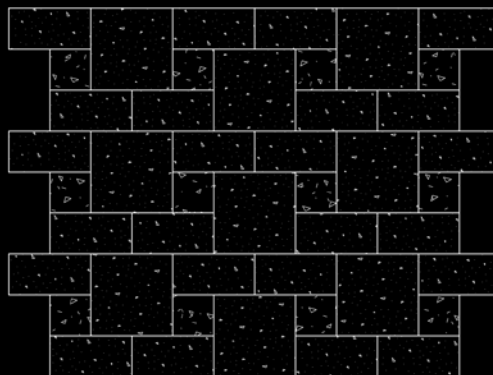

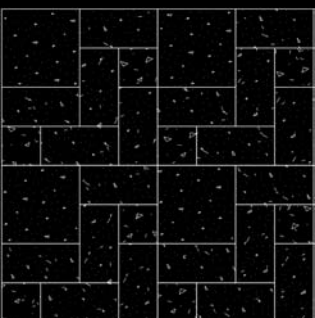

Deck Tile

Ancient Stone™ Deck Tile — Non-slip and color for color, they are cooler than Cooldeck and more economical and durable with greater design flexibility than natural stone.

At 1.5" thick, Ancient Stone™ Deck Tile is typically installed with thin-set over concrete or existing pool decking. A variety of sizes and multiple pattern choices can turn your backyard pool surroundings and deck into a distinct and dramatic expression of classic or contemporary elegance.

Sample patterns – see catalog for full selection of patterns and individual piece sizes

Practical Pavers

Our most economical line, Ancient Stone™ Practical Pavers are just that, “practical” because they are suitable for either thin-set application or sand-set application. Based on a nominal 14” pattern* and available in four colors**, they offer flexibility in design and installation, making them the perfect choice for large and small areas. Practical Pavers are also non-slip and color for color, cooler than Cooldeck!

**Available in 7”x 7”x 1.5”, 7”x 14”x 1.5”, 14”x 14”x 1.5” and 14”x 14”x 1.5” with bull nosed coping*

*** Caramel (P-7), Sunset (P-5), Sand (P-3), and Terra (P-19)*

Ancient Stone™ ... creating durable, dramatic architectural accents that reflect your unique tastes and styles at a fraction of the cost of natural stone ... proudly made in the USA, Ancient Stone™ is locally produced.

Ancient Stone™ by Vasilios is now available with a ten (10) year guarantee against material defects (excluding hairline stress and shrinkage related fractures and damage due to installations and/or handling etc.). Guarantee is limited to material replacement only, F.O.B. our plant.
