

Bricks are now available for engraving
in the MAURILLO FAMILY GARDEN
adjacent to the Shrine and Museum

The Maurillo Family Garden at the Saint Marianne Cope Shrine & Museum is a beautiful and sacred space that is enjoyed daily by visitors. Saint Marianne watches over the garden and her calming presence invites contemplation and reflection. The garden's patio is paved with prayer bricks, leading to the feet of Saint Marianne's life size bronze statue, her outstretched hands inviting visitors to join her in prayer.

We invite you to celebrate the impact of Saint Marianne and the legacy of the Sisters of St. Francis of the Neumann Communities by sponsoring an engraved garden brick. Each brick will be a lasting tribute to special people, inspired lives and prayers asked and answered.

Then, join us in May 2020 when we celebrate Spring with a blessing of the newly installed bricks.*
