Acknowledgement for E-mail Communications

I, _____, understand that communication via email is unsecured. Dr. Kuniyoshi cannot guarantee the privacy or confidentiality of information transmitted via email. This extends to any attachments sent via email. Additionally, while Dr. Kuniyoshi may use email to assist with scheduling and billing related issues, I understand that email **is not to be used for emergencies, urgent contact or when a timely reply is required**. Email communication cannot take the place of clinical appointments and will not be used for extended clinical discussions.
